Re: Your Denial of my FOIA request dated 7/7/11

Hello,

You denied my FOIA request for the following public information:

- 1) Arrest and criminal record of Justin Ray Stout Stanley.
- 2) Incident Base Report for April 2008 at my residence located at 1553 Grassland Lane, Harrisonburg, Va (ECC 911 call)

You stated your denial based on the fact I am incarcerated. Regardless of my incarceration I still have federal rights and am entitled to public information.

Your further denial of my request was the opinion of Marsha Garst, again she has no control over my FOIA requests.

I again ask for the above public information to be forwarded to me within 20 days or I will seek federal court relief.

Respectfully,

Donna J. Hockman
