

Barry Wittick. or Tim Spittler.

I am sending you this note because I want to let you all know that my cell mate

(Jamie Lam) went to court today with Donna Hockman. Jamie just told me that Donna told her that T.V. Cameras will be in the Court room and Drug dealers and other people will see it. and ~~snitches~~ who know's what others. She also said Snitches wear ~~suit~~ stiches. Jamie said Donna told her that, that applied to Melissa, and Christian, and I. Jamie said Donna told her that like something will happen to us. I am worried about my child & family now.

When I spoke to Marsha Garst she said to let you all know if I need to let ~~you all~~ her know anything else. well I think you should know this.

Thank You

April Smith
